

AP 2020 Exam

AP Physics 1 Exam

Congratulations! Your AP Exam Is Complete

How Was Your Exam Experience?

Did you have any issues submitting your work? If so, don't worry—you can complete this form to report the problem and request a makeup exam (<http://cb.org/requestmakeup>).

Makeup exams will be held during the June 22-30 exception testing window. You'll need your makeup request key, which you can find in your e-ticket or on My AP.

This is our first year delivering AP Exams online. How did we do? Fill out a brief survey (<http://cb.org/ap-exam-feedback>). Your response will be anonymous and confidential.

Your Exam Scores Are Coming

AP Exam scores are released in mid-July. We'll email you with details about when your scores will be available.
